WALL SAVER MECHANISM

A Adjustable head and neck support gives you ultimate comfort in all seating positions.

B Effortless reclining and adjustable back rest angle as your heart desires.

C Computer controlled injection molded cold-cure foam ensures ergonomically correct seating and comfort throughout all areas of the chair. The headrest is height adjustable for perfect fit.

D The interior steel frame with sinuous springs encased in cold-cure molded foam ensures correct back and lumbar support.

E Built with a solid hard wood and steel frame and IMG uses computer controlled injection moulded foam. This guarantees superior quality and durability.

F Integrated footrest. The footrest can easily be unfolded by using the handle. To fold it in you should use your feet to press the footrest down towards the chair and move your body weight forward while seating.
