

MEDISTAR REGULAR STANDARD PAPER ROLLS 2 PLY EMBOSSED

Thick and absorbent the Medistar Regular Standard Paper Rolls 2ply paper examination roll to cover the medical examination couch/treatment tables. Ideal for Medical, dental, beauty and cleaning industry. In the two-ply paper roll with adhesive during production, inserts a thin glue layer between the sheets, which prevents detachment / separation of a sheet from each other compared to the common two-ply. In this way the paper acquires greater strength and stability while maintaining the softness and absorbency. 100% pure pulp, high resistance embossed and perforated every 38cm for easy cut.
