

# MEDISTAR PREMIUM STANDARD PURE PULP PAPER ROLLS – LIGHT BLUE

The Medistar Premium Standard Pure Pulp Paper Rolls in light blue are glue laminated examination rolls to cover the medical examination couch and Treatment Tables. This roll consists of a glue film, located at the bottom of the roll and a sheet of paper of exceptional quality and durability which is on the top side of the roll. The examination roll prevents possible leaks during the use of liquids and also offers a sense of comfort and cleanliness to the examined patient. Ideal for Medical, dental, beauty and cleaning industry.
