

# MEDISTAR ELECTRIC TREATMENT TABLE – 2 SECTION

---

The Medistar Treatment Table – 2 Section is a classic Euro style, dual lift construction offering excellent stability through all ranges of height adjustment. The all electric operation not only provides ease of use, but is ergonomic and OH&S friendly. A generous low height, allows for easy ingress by patients and the couch can be effortlessly raised to a comfortable height for the caregiver, these features combine to make the classic range of couches a perfect choice for any clinic, department or private practice.
